July 23, 2001

**Inquiry:** I would like to know how to get certified in spirometry. Please give me a call or fax this information to me.

**Response:** In response to your inquiry regarding certification in spirometry required of a licensed physician, please be advised that the RCB is unaware of any such certification required of a licensed physician for this function. Furthermore, the RCB does not have any "certification" jurisdiction over physicians.

Further information regarding this issue may be obtained by contacting the Medical Board of California at the following address and telephone number:

Medical Board of California  
1426 Howe Avenue, Suite 54
